

## GUIDELINES FOR PLAY

### BOOKINGS

Courts are free to use.

Courts can be booked for free up to one week in advance by going to [clubspark.lta.org.uk/CannonHillPark](http://clubspark.lta.org.uk/CannonHillPark), you need to register for free online which only takes 2 minutes!

Once you have a court booked, you will receive a confirmation email. Please either print this email out and bring it with you, or if your phone can receive and display emails, this is also fine. If you have no proof of a court booking with you, you cannot claim that you have the court booked.

You are permitted to use the courts without booking them, however if another player has booked, please vacate the court immediately.

Winners to compete against champions from other areas!

### FLOODLIGHTS

If floodlights are required at night, tokens can be purchased at the MAC reception for £5/ hour, please insert the token in to the appropriate meter located inside the court gates. The last court booking is from 8-9pm, therefore floodlight tokens will be available for purchase between 1st August – 1st June. After 9pm the lights will turn off automatically, no refund will be given to or from any party.

It is recommended that floodlight tokens are only used for booked courts, if you insert a floodlight token, and someone who has booked a court arrives to play, you will have to leave the court with no refund from any party.

# GUIDELINES FOR PLAY

## GENERAL

Only Tennis is to be played on the courts. Football or other activity is forbidden. Appropriate footwear (no flip flops or heels) and tops must be worn at all times.
